**Description**

FPL Metal Panel Ceiling Adapter

The FPL metal panel frame (Passepartout) allows the standard FPL luminaire (1197x297) to replace a tile in common metal panel ceiling systems such as SAS330 or Burgess to give a seamless flush fit. Various sizes are possible to suit project requirements, please state ceiling type and tile size on order. Colours available as white (RAL9010/RAL9016) special colours on request.

RAL9010 WHITE Finish- 97-MPN/FPL/9010/SIZE

RAL9016 WHITE Finish- 97-MPN/FPL/9016/SIZE
