

RG ADDITIONS

A Brand Of RIDI Group UK

Voltage: ~230-240V, 50-60 HZ
 Protection class: IP20
 acc. to DIN EN 60598.2.22

Product description

The RK-F offers decorative surface mounted circular luminaires incorporating high output white LEDs within a 'sealed' polycarbonate light source enclosure minimising loss of efficacy due to dirt. The mains driver and emergency lighting gear is installed in the back of the housing away from internal heat sources. The main luminaire housing is installed by twisting on to the first fix ring.

The RK-F offers an exceptional opportunity to design contemporary lighting installations with aesthetic luminaires.

Fixed output mains luminaire. With integral 3hr maintained battery backed emergency.
